New Delhi - 110001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by The Birla Cotton Spinning & Weaving Mills Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I report that

1. The Maintenance of Secretarial records is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. I believe that the processes and practices followed by me provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
4. Wherever required, I have obtained the Management representation, about the compliance of laws, rules and regulation and happenings of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulation, standards is the responsibility of Management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024 according to the provisions of:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Operating Results & Financial Performance

The Birla Cotton Spinning & Weaving Mills Limited is a registered NBFC. The mainstay of Company's operations continued to be investments in various companies, under which steady dividend income flows into the Company coupled with constant commission income. The company's total income for the year is Rs. 651.70 lakhs as compared to Rs. 497.09 lakhs in the previous year. During the year under review Profit before tax amounts to Rs. 446.20lakhs as compared to Rs. 450.60lakhs in the previous year.

2. Industry structure and Developments

The NBFC sector in India has become mature with reduced dependence on the acceptance of public deposits as part of overall funding.

3. Opportunities and Threats

With the globalization and electronic age, Indian stock market has changed over the past decade. The developments of high-tech and transparent markets with an increasingly wide geographic footprint have increased the number of trading avenues offering diverse pools of liquidity.

Capital Markets around the globe have been going through somewhat uncertain times due to European Sovereign Debt crises. The international global crisis has lesser impact on our financial markets. Therefore, the Indian growth story is intact in spite of all these odds over the long term.

4. Segment-Wise Performance

The Company's main business is giving loans, investment securities of listed and unlisted companies, etc. All the activities of the Company are related to its main business. As such there are no separate reportable segments.

5. Future Prospects and Outlook

The Company's present business operations are that of an investment company, future of which is largely depends upon financial and capital markets. Your Company has investments in financially sound companies. Company will continue to earn good dividend income. The management is optimistic about the future outlook of the Company.

The NBFC's industry witnessed testing times with global economic slowdown and weakening profitability and tightening of financial conditions from foreign and non-

bank sources. The Company has demonstrated its ability to withstand the challenges posed by the current environment and has emerged as a strong player in registering growth and profitability.

6. Risks and concerns

The Company like any other Company is exposed to specific risks that are particular to its business and the environment within which it operates. The company is exposed to the market risk, which inter alia includes economic/business cycle, interest rate volatility, and credit risk.

While the Indian economy has shown sustained growth over the years The Company is confident of managing these risks by maintaining a conservative financial profile, and by following prudent business and risk management practices.

7. Internal control system and their adequacy

The Company has proper and adequate system of internal controls to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition of assets and that the transactions are properly recorded.

The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

Besides, the Audit Committee reviews the internal controls at periodic intervals.

8. Human Resources

Our Company believes that our human capital is our greatest strength and is the driver of growth, efficiency and productivity. Year-on-year, we continue to deepen our philosophy by investing in developing our talent and leadership through a number of well designed measures. The company has adequate human resources, which commensurate with the current volume of activity.

9. Cautionary Statement

Statements in this 'Management's Discussion and Analysis' describing the company's objectives, projections, estimates, expectations or predictions may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include interest rates and changes in the Government regulations, tax regimes, economic developments and other factors such as litigation etc.

10. Ratio Analysis

There were significant changes in key financial ratios as compared to the immediately previous financial years, the detailed financial ratios are given hereunder:

Ratio	FY 24	FY 23
Debtors Turnover Ratio	1.18:1	1.14:1
Inventory Turnover	Not Applicable	Not applicable
Interest Coverage Ratio	-	-
Current Ratio	38.17:1	106.43:1

CERTIFICATE OF COMPLIANCE OF CORPORATE GOVERNANCE

**The Members,
The Birla Cotton Spinning & Weaving Mills Limited,
Hindustan Times House, Mezzanine Floor,
18-20 Kasturba Gandhi Marg, New Delhi-110001**

I have examined the compliance of conditions of Corporate Governance by **The Birla Cotton Spinning and Weaving Mills Limited**, for the period ended on 31st March, 2024, as stipulated in Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

The compliance of conditions of Corporate Governance is the responsibility of the Management. My examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied, in all material respect with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations for the period 01st April, 2023 to 31st March, 2024.

We have audited the Financial Statements of **THE BIRLA COTTON SPINNING AND WEAVING MILLS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to Financial Statements including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").
- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

4. Information Other than the Financial Statements and Auditor's Report thereon

- A. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Responsibilities of Management and Those Charged with Governance for the Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of company Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- B. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related

to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- C. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- D. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- E. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;

- d. In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigation, if any, on its Financial Statements (Refer Note 20 to the financial statement)
 - ii) The Company did not have any long term contracts including derivative contract for which there were any material foreseeable losses.
 - iii) The company did not have any dues in respect of Investor Education and Protection Fund.
- (C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act,:

In our opinion and to the best of our information and according to the explanations given to us, no remuneration paid by the Company to its directors during the year.

- (D)(a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or

provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities,

including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or

provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material mis-statement.

(E) The company has neither declared or nor paid any dividend during the year.

(F) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph II point 2 A (f) under "Report on Other Legal and Regulatory Requirements" section of our report to the members of THE BIRLA COTTON SPINNING AND WEAVING MILLS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of BIRLA COTTON SPINNING AND WEAVING MILLS LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the

design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as of March 31, 2024, based on the internal financial controls with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Birla Cotton Spinning And Weaving Mills Limited

Notes to the financial statements for the Year Ended 31st March 2024

1. Corporate information

The Birla Cotton Spinning & Weaving Mills Limited is a Public Limited Company Registered in India and incorporated under the provision of Companies Act, 2013. Its Shares are listed on Calcutta Stock exchange. The Company is registered as Non-Banking Finance Company with Reserve Bank of India and its primary business comprises of Investment in Securities and to provide finance to parties.

1.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis, except for fair value through other comprehensive income (FVOCI) instruments, derivative financial instruments and certain financial assets and financial liabilities measured at fair value (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakhs, except when otherwise indicated.

1.2 Presentation of financial statements

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in notes to the financial statements.

2. Material accounting policies

2.1 Financial instruments – initial recognition

2.1.1 Date of recognition

Financial assets and liabilities, with the exception of loans, debt securities, and borrowings are initially recognised on the trade date, i.e., the date that the company becomes a party to the contractual provisions of the instrument. Loans are recognised when fund transfers are initiated to the customers' account or cheques for disbursement have been prepared by the company (as per the terms of the agreement with the borrowers). The company recognises debt securities and borrowings when funds reach the company.

2.1.2 Initial measurement of financial instruments

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL (Fair value through profit and loss), transaction costs are added to, or subtracted from, this amount.

2.1.3 Measurement categories of financial assets and liabilities

The company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

- Amortised cost
- FVTPL
- FVTOCI

The Birla Cotton Spinning And Weaving Mills Limited

Notes to the financial statements for the Year Ended 31st March 2024

2.2 Financial assets and liabilities

2.2.1 Bank balances, Loans, Trade receivables and financial investments at amortised cost

The Company measures Bank balances, Loans, and other financial investments at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

2.2.2 Equity instruments at FVOCI

Investments in equity shares are initially measured at fair value. Any subsequent fair value gain or loss is recognised through FVOCI.

Gains and losses on these equity instruments are recycled to profit or loss when equity investments will be sold out. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established,

2.3 Derecognition of financial assets and liabilities

Derecognition of financial assets other than due to substantial modification

Financial assets

A financial asset is derecognized when the rights to receive cash flows from the financial asset have expired.

Financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expires.

2.4 Taxes

Tax expense comprises of current tax and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to the items recognized directly in equity in which case it is recognized in other comprehensive income (OCI). The provision for taxation has been made on the basis of the assessable profits determined under the Income Tax Act, 1961 after considering the applicable tax allowances and exemptions. The current tax is calculated in accordance with the Income Tax Act, 1961. Minimum Alternative Tax (MAT) paid in accordance with the tax laws which give rise to future economic benefits in the form of adjustments of future income tax liability is considered as an asset if there is convincing evidence that the Company will pay normal tax in future.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future Taxable income will be available against which such deferred tax assets can be realized.

2.5 Property, plant and equipment

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2018, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment. Property, plant & equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The Birla Cotton Spinning And Weaving Mills Limited

Notes to the financial statements for the Year Ended 31st March 2024

The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. In case of assets acquired in exchange for a non-monetary asset, the cost of such an item of property, plant and equipment is measured at fair value unless (a) the exchange transaction lacks commercial substance or (b) the fair value of neither the asset received nor the asset given up is reliably measurable.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a regular major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

An item of Property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on Property, Plant & Equipment

Depreciation on Property, Plant & Equipment's (PPE) has been provided for on straight-line value method as per rates arrived based on the useful life and manner prescribed under Schedule II of the Companies Act, 2013.

In case of addition/ deletion of PPE during the year, depreciation on those PPE has been provided for on a pro rata basis from the date of such addition or, as the case may be, up to the date of deletion of such asset.

2.6 Intangible assets

An intangible asset is recognised only when its cost can be measured reliably and it is probable that the expected future economic benefits that are attributable to it will flow to the Company.

Intangible assets acquired separately are measured on initial recognition at cost. Subsequently, they are carried at cost less accumulated amortisation and impairment losses if any, and are amortised over their estimated useful life on the straight line basis over a 3 year period or the license period whichever is lower.

The carrying amount of the assets is reviewed at each Balance sheet date to ascertain impairment based on internal or external factors. Impairment is recognised, if the carrying value exceeds the higher of the net selling price of the assets and its value in use.

2.7 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may

The Birla Cotton Spinning And Weaving Mills Limited

Notes to the financial statements for the Year Ended 31st March 2024

be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses, are recognised in the statement of profit and loss. Intangible assets with indefinite useful lives are tested for impairment annually, as appropriate and when circumstances indicate that the carrying value may be impaired.

2.8 Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, the Company determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

2.9 Determination of Fair value

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
 - In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:

- **Level 1 financial instruments** - Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date
- **Level 2 financial instruments** - Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or

The Birla Cotton Spinning And Weaving Mills Limited

Notes to the financial statements for the Year Ended 31st March 2024

the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the Company will classify the instruments as Level 3.

Level 3 financial instruments - Those that include one or more unobservable input that is significant to the measurement as whole.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The company evaluates the levelling at each reporting period on an instrument-by-instrument basis and reclassifies instruments when necessary based on the facts at the end of the reporting period.

2.10 Recognition of Income

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the company satisfies a performance obligation.

2.11 Dividend Income

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders approve the dividend.

2.12 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a

The Birla Cotton Spinning And Weaving Mills Limited

Notes to the financial statements for the Year Ended 31st March 2024

corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares

2.13 Segment Information

The accounting policies adopted for Segment reporting are in line with the accounting policies of the company with the following additional policies:

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the Segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to Segments on a reasonable basis have been included under "Un-allocable".

Assets and liabilities have been identified to segments on the basis of their relationship to the operating activities of the Segment. Assets and liabilities, which relate to the enterprise as a whole and are not allocable to Segments on a reasonable basis have been included under "Un-allocable".

2.14 Trade receivables

The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated for changes in the forward-looking estimates.

2.15 Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgments and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility. For further details about determination of fair value please see Fair value note in accounting policy.

2.16 Provisions and other contingent liabilities

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgment is required to conclude on these estimates.

25 Financial risk management objectives & policies

The Company's principal financial liabilities comprise Trade and other payables. The Company's principal financial assets include loans, equity shares, Preference shares, Mutual Funds, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. A team of qualified finance professionals with appropriate skills and experience provides assurance to the management that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The policies for managing each of these risks, which are summarised below:-

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The exposure to the risk of changes in market interest rates relates primarily to the long-term obligations with floating interest rates.

The exposure of the financial liabilities as at March 31, 2024 to interest rate risk is as follows:

	Total	Floating rate financial liability	Fixed rate financial liability
Financial Liabilities	-	-	-

The exposure of the financial liabilities as at March 31, 2023 to interest rate risk is as follows:

	Total	Floating rate financial liabilities	Fixed rate financial liabilities
Financial Liabilities	-	-	-

Interest rate sensitivity

Since the Company does not have any financial obligations, hence no interest rate sensitivity analysis is done.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Exposure to the risk of changes in foreign exchange rates relates primarily to the companies operating activities (when revenue or expense is denominated in a foreign currency), investment & borrowing in foreign currency etc.

There is no outstanding balance in foreign currency as at year end, hence there is no foreign currency risk.

Foreign currency sensitivity

There is no foreign currency outstanding balance as at year end, hence no Foreign currency sensitivity analysis is done.

Other price risk

The Company invests its surplus funds in various debt instruments and debt mutual funds. These comprise of mainly liquid schemes of mutual funds (liquid investments) and fixed deposits.

Mutual fund investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenure of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Equity price risk

The Entity invests in listed and non-listed equity securities which are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Entity manages the equity price risk through diversification and by placing limits on individual and total equity instruments. The Company also invests in preference shares. Reports on the portfolio are submitted to the senior management on a regular basis.

26 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital and net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

Particulars	March 31, 2024	March 31, 2023

Other financial liabilities	82.61	20.78	82.61	20.78
Total	82.61	20.78	82.61	20.78

The management assessed that cash and cash equivalents, other bank balances, trade receivables, loans, other current financial asset, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- The fair values of the investment in unquoted equity shares/ debt instruments/ preference shares have been estimated using a DCF model or comparable investment price such as last round of funding made in the investee company. The valuation requires to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted investments. The valuation has been carried out by independent valuer
- The Entity has investments in quoted mutual funds being valued at Net Asset Value.
- The Entity invests in quoted equity shares valued at closing price of stock on recognized stock exchange.
- The loans are evaluated based on parameters such as interest rate, risk factors, risk characteristics and individual credit-worthiness of the counterparty. Based on this evaluation, no allowances for expected losses are taken into account.
- The Entity has investment in quoted bonds and are recorded at amortised cost. Fair value of quoted bonds are determined basis the closing price of the bonds on recognised stock exchange.
